In Memory of

Becky Barris

This year's yearbook is dedicated to the memory of Mrs. Rebecca (Becky) Barris. Mrs. Barris graduated from Winslow High School in 1989 and came to work for the High School in 2001. She was involved in many school activities and was loved by all who had the privilege of meeting her. She was the head

softball coach for Winslow High School for many years and was very passionate in this role. While coaching they won one state championship and several runner up titles. She was also the assistant varsity girls' basketball coach, FBLA advisor, ABEA secretary and this year's senior class sponsor. You could always find her at all the sporting events doing anything from crowd control at football games to running the clock at the basketball games and officiating volleyball games. Becky loved high school sports so much that she would travel to out of town games to support the Bulldogs every chance she got. Mrs. Barris leaves a huge void in our school and will be greatly missed by staff and students alike.

Yearbook

We would like to have the honor in naming Wade Lester as 2013 yearbook King. We feel like Wade is a great example for yearbook king and we appreciate him for being involved and being a hardworking student.Thank you Wade for all you do.

We would also like to have the honor in naming Alisha Jones as the 2013 yearbook Queen. Alisha is another person who is involved in her class and is also very spirited with the school. Alisha loves her class and everyone in it.She loves to be involved and holds leadership positions and good grades. Alisha is apart of various clubs as well. We appreciate Alisha For her accomplihments at WHS.

Baby Girl and Sonny,
Wow, its hard to believe that you are Seniors in High School!!! Time has definitely traveled at full speed. It seems just yesterday I heard two little heartbeats inside of me, then all of a sudden, your grown, into a Beautiful Young Women and a Handsome Young Man!.. Being twins is a special blessing. Your individualities balance on each other to make you one (whole). As you venture out into the world,may you continue to have courage, faith, hope and love on everything you set your mind too and follow your heart! Always seek the open door as that's where many opportunities are. Remember, K.I.S.S. (keep it simple and sweet). Life is too beautiful to stress over it....As baby girl says “the world would be a much happier place if we all just learn to chill”

Most importantly, home is where the heart is (love). The door is always open and the lamp is always on....

We are VERY PROUD ofyou and know all your wishes and dreams will come true!....

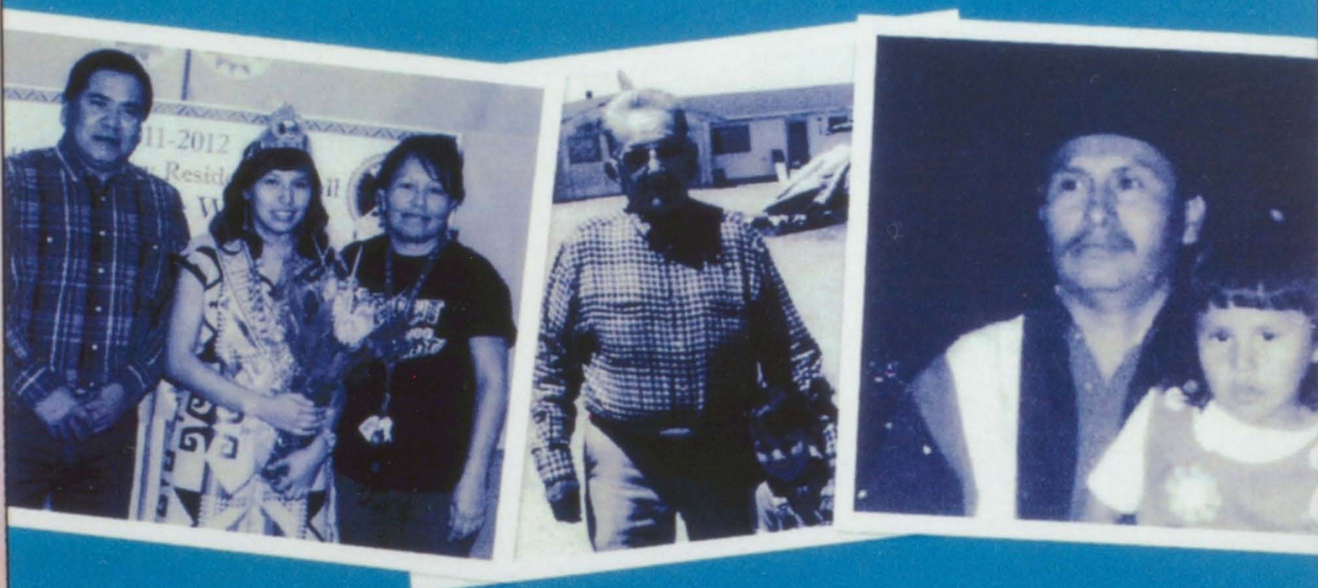

With all our love,
Mom, Chenoa, Shadow and Mittens

To my son, Xavier. I just want to let you know that I love you and I am very proud of you and of all the things you have accomplished so far. I know there are days harder than others, when you were anxious about your results , but you worked harder and harder and finally succeed. On May 29th 2013 you are graduating (again). Senior year is a year of letting go because as a mother I have to let you go and live your life even if its hard for me. I miss you and no matter how far from home you are, I will always be there when you need me. I hope you have learned a lot with your year abroad in Arizona and enjoy it. I am looking forward seeing you in June 2013 when you will be back home.

In August you will leave again to go to Quebec City at the Champlain St. Lawrence College to study Health science profile. After two years in College, you will be ready to enter the University and get your Bachelor of Science degree in Nursing.

Dear Tim –
Thank you for being a big brother to me and thank you for helping me with basketball you taught me a lot. Tim you are a really hard worker and good at basketball so keep it up. I hope you just continue to play your best and I love you really much.
Tim keep on going and don't give up even if you get mad just don't give up.
I am so proud of you because you are doing good in basketball and when things get tough you keep on going. Thank you for playing basketball with me and teaching me new things.
Sincerely,
Your Little Sister, Brianna

Tim -
It's an honor and blessing to have you for my son. It's amazing how fast time can go when life is good.
You are a huge part of bringing that goodness and have made parenting a joy for your mom and me. You're an amazing young man.
I fee you have truly given your best to live according to the "Golden Rule" ...."Treat Other's Like You Would Want To Be Treated". I'm proud that you keep God in your life. That through all your activities you continue to search for Him and build your relationship with Him. According to His instruction He says to "honor" your parents and I feel you heed that instruction. Continue to be a great example to your sister, Brianna. Her letter to you is so revealing. You've shown her how it is to be responsible and work hard. As you're aware, life is a process which can bring you success as well as failures. Be encouraged by the failures and don't ever take them too personally.
You're mom and I will always be on your side. Keep God first in your life. Don't ever quit. "Whatever the mind can conceive the body will achieve".
Love you lots! - Dad

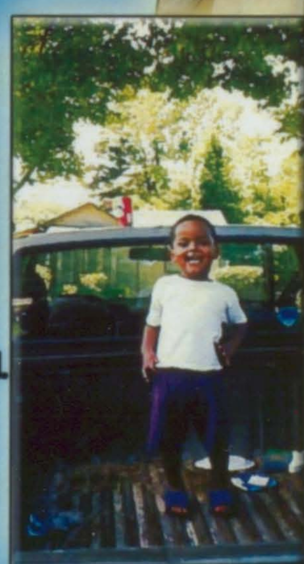

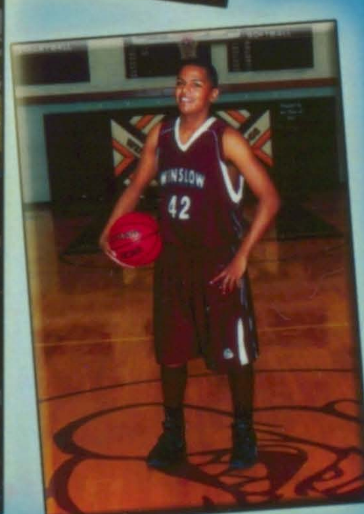

Son – Wow! Can't believe the time has already arrived for all the Senior stuff! As I was going through all the pictures and remembering all the good and silly times... I didn't cry! Not one tear! Is that good? Is that bad? I don't know. All I do know is "I love you!" I'm grateful to the fact that you have always loved your God, family, friends, school and community. All these things have kept you involved in activities and helped you to determine where and what you want personally and professionally. You have great aspirations to work in the medical field and I can so see you in this line of work. As we've always taught you and Bri "YOUR effort determines the result"... remember this when distractions and fatigue come your way. Your dad and I are truly blessed.
As you know son, TRUE happiness must begin with you. Always do and be a part of those things that are "good". The goodness will fulfill you and will give you the want to do good for others. Can't wait to see what happens next!
I love you ALWAYS – Mom.

Syd,
I am so proud of you you did it! You are

things you said or did to make us laugh. Now you've grown into a beautiful

It seems like just the other day I brought this beautiful bright-eyed baby girl into the world. I knew from the look on your face the moment you came into the world that my life would never be boring again. it has been crazy, whirlwind of the ride- and it is so hard to believe that you have grown into a wonderful young women. as you embrace into a women hood remember if plan A doesn't work there are 25 more letters in a alphabet. never give up on our dreams, and even if you get side tracked. sometimes the scenic route leads you to the ,most beautiful destination. you cannot control the curves that life throws you. You can, however , control how you respond. And remember the sky is not the limit; just ask the moon and star. Most importantly never forget that your dad and I are incredibly proud of you and that we love you so much.

Emmett,
Where has the time gone? It seems like just yesterday you were a new baby in my arms and now you are a senior ready to graduate. We have watched you grow and become such an outstanding young man and have watched you accomplish great things. You have shown us a person who is not afraid to accomplish what you set out for. You have also proved that when there is something you want you will do anything you can to get it. You are always so kind and your heart is so big and you always have a way of putting others first. You have taught us all a thing or two about life and for that we will be forever grateful. I believe you had shown me (mom) the most, and have taught me not to be afraid and also be strong in my faith. We are so very proud of you and it makes us proud to have been a part of raising such a fine man. We love you so much and even though the mile S. will separate us, you will always have a place to call home and I want you to know that we will ALWAYS be right here for you. Now comes the time, Emmet, for you to go out and show the world what you are made of.... Shoot for the stars and aim high, you can do anything you desire. We love you so much, you have made us proud. Congratulations Son, We love you to the Moon and Back...
Love you,
Mom, John, and Travis (Trevor)

For Our Daughter Jayme,

As you graduate,a chapter in your life has closed, and another is about to begin. The future stands bright before you, so take hold of your dreams, and no matter what happens don't let go. There will be hard times ahead, but try not to give up, for nothing which is worth anything, comes without hard work and sacrifice. When you were a little girl we held your hand, guided and protected you the best that we could. We will try and respect the fact that you are older now and that the decisions you will make are your own. It's time for us to let go now. There is a pain in that but there is also a wonderful sense of pride and accomplishments. But you must understand that to us you will always be our Baby Girl. We look at the Beautiful, young women you have become. We Love You Sweetheart, and we Pray that our love will sustain you. We may not be able to carry you in our arms anymore, but we will always carry you in our Heart. Always remember, you have within you the strength, the Patience, and the Passion to reach for the Stars to Change the World. It's time now.... Spread your wings and fly! We are Very Proud of You!

Love Always, Hugs & Kisses MOM and DAD

Ethan,
Where do I begin my son to tell you what you mean to me? How proud I am of the man you've become and the one you will someday be. I see your kind heart and thoughtful ways, you treat others as if they were your brother. In your life I hope you will remember that we have to be kind to one another and know your future lies ahead of you, the whole world is at your feet. I hope you always choose wisely and never admit defeat But should you find a rough road ahead. I hope you will always remember this that as your mom I will make it better sometimes with just a kiss your adventures in life are just beginning as you'll find out when you go out and begin a new life. I hope your path stays straight and never gets filled with strife. Know this my son, as I'm sure you do hat we will always love you!

As our senior year comes to an end, we have many memories to look back on and to cherish. We stuck through four years at WInslow High School and now its time to go out into the world and make something of ourselves. We both would like to thank everyone who has put the effort into making this yearbook full of great memories possible. Also a very special thanks to Mrs. Long. Having four years of your class was great! This school year is at its end and where ever life takes us, we will always be the 100th class to graduate from Winslow High School. We did it! Congrats to The Class of 2013!! ♥
